

Draw a line from the Put-Up to the thumbs-up face and from the Put-Down to the thumbs down face!

A Put-Up is when you say something nice or give a complement!

A Put-Down is when you say something that's not nice or mean.

**Thank you.
That was
really nice of
you!**

**You're
bad at
sports!**

**Your
backpack
looks stupid!**

**I'm glad
you're my
friend!**

**I like your
shirt!**

Shut up!

**That's
ugly!**

**Thanks for
helping!**
